

<b>2013 City Safety Projects (Construction-only funds through a quick response call for projects)</b>			
Anacortes	22nd Street and R Avenue Roundabout	Construct a roundabout.	\$500,000
Auburn	Citywide Guardrail Improvements	Install guardrail.	\$502,275
Bellevue	NE 8th St/Crossroads Park Mid-Block Crossing	Improve a crosswalk with a pedestrian refuge island, signs, and rectangular rapid flashing beacons.	\$311,213
Black Diamond	Black Diamond Street Signs Replacement	Upgrade traffic signs.	\$20,923
Bothell	228th Street SW at 15th Avenue SE	Improve the visibility of traffic signal heads, improve traffic signal phasing, install an audible pedestrian signal, and upgrade intersection signing and pavement markings.	\$100,000
Bothell	Main Street from 101st Ave NE to 104th Ave NE	Improve crosswalks with elevated pavement and upgraded signs, beacons, and curb ramps.	\$250,000
Bothell	SR 527 MP 2.90 to 3.68	Improve the visibility of traffic signal heads, upgrade signs and pavement markings, and improve crosswalks with upgraded pedestrian signals and curb ramps.	\$500,000
Ellensburg	City of Ellensburg Traffic Signal Enhancement Program	Improve the visibility of traffic signal heads, upgrade pedestrian signals and curb ramps, upgrade traffic signal controllers and timing, and upgrade signs.	\$527,000
Everett	Everett Citywide Guardrail Improvement Program	Upgrade existing guardrail, guardrail anchors, and bridge transition sections, install a raised island, and upgrade pavement markings and signs.	\$470,000
Everett	Evergreen Way and Pecks Drive-Intersection Safety	Improve traffic signal phasing, visibility of traffic signal heads, intersection lighting, and pedestrian accessibility, including ADA.	\$411,000
Federal Way	Citywide Flashing Yellow Arrow Conversions	Improve traffic signal phasing and improve the visibility of traffic signal heads.	\$241,200
Federal Way	Citywide Retroreflective Backplates	Improve the visibility of traffic signal heads.	\$122,000
Kelso	West Main Street Realignment	Realign West Main Street and implement access control. Construct sidewalks and bicycle lanes. Add through lanes and turn lanes, widen lanes, and close a road. Construct new traffic signals and revise traffic signal timing.	\$1,140,000
Kennewick	Columbia Center Blvd Safety Project - Phase 1	Install a traffic signal, install rectangular rapid flashing beacons, and make channelization and storage lane modifications.	\$730,000

Kent	Panther Lake Signal System Integration	Upgrade traffic signal controllers, improve communication to the controllers, and improve traffic signal phasing.	\$341,958
Lakewood	Citywide Safety Upgrade Project	Improve the visibility of traffic signal heads and change signal phasing.	\$661,000
Lakewood	Custer Rd & John Dower Rd Intersection Safety Improvement	Improve the visibility of traffic signal heads, change signal phasing, upgrade signs, increase pavement friction, and improve conditions for pedestrians in crosswalks.	\$415,000
Mountlake Terrace	Citywide Safety Improvements	Improve the visibility of traffic signal heads and install rectangular rapid flashing beacons at crosswalks.	\$191,730
Pasco	Court St ADA Ramp Upgrade and Pedestrian Countdown Signal Heads	Install pedestrian countdown signals and upgrade curb ramps to meet ADA requirements.	\$628,000
Pasco	Pasco Safe Routes to School 1	Install rectangular rapid flashing beacons at crosswalks. Upgrade school zone sign/beacon equipment.	\$124,000
Pasco	Road 68 Corridor Safety Improvements	Improve traffic signal timing and implement access management.	\$500,000
Poulsbo	SR 305 Intersection Safety Lighting	Install intersection lighting.	\$400,000
Seattle	Citywide Stop and Yield Controlled Intersection Enhancement	Upgrade traffic signs.	\$1,000,000
Shoreline	City of Shoreline - Aurora Avenue N. - N 145th Street to N 192nd Street Safety Improvements	Improve the visibility of traffic signal heads, upgrade pedestrian signal poles, curb ramps, and sidewalks to meet ADA standards, and upgrade signs.	\$352,491
Spokane	Ash and Maple Streets Couplet, Pedestrian Countdown Timer Modifications	Install pedestrian countdown signals.	\$178,000
Spokane	Flint Rd. and Sunset Hwy (US Hwy 2) Traffic Signal	Install a traffic signal and widen the roadway to add deceleration lanes, left turn lanes, and sidewalks at the curb radii. Includes ADA compliant curb ramps, pedestrian signals, pedestrian refuge islands, and illumination.	\$1,271,000
Spokane Valley	Citywide Traffic Sign Upgrade Project	Upgrade signs.	\$200,000
Tacoma	Citywide Safety Improvements	Upgrade signs and pavement markings at traffic signals.	\$794,750

Tacoma	Mildred Street Improvements	Rehabilitate the roadway and implement a road diet, install a marked crosswalk with pedestrian-actuated flashing beacons and median pedestrian refuge islands.	\$942,792
Tacoma	S. 25th Street Corridor Signal Improvements	Install a traffic signal and add pedestrian curb bulbs at the intersection of S. 25th St./J St. Upgrade and interconnect adjacent traffic signals. Reconstruct intersection corners/pedestrian ramps along S. 25th St.	\$251,097
Vancouver	Fourth Plain Blvd - Crosswalk Upgrade to Pedestrian Hybrid Beacon	Upgrade marked crosswalks to pedestrian hybrid beacons.	\$360,000
Vancouver	SE 136th Ave and SE 7th St Traffic Signal	Install a traffic signal.	\$250,000
Walla Walla	13th Avenue at Rose Street Traffic Signal	Install a traffic signal and a two-way left turn lane.	\$200,828
WSDOT North Central Region (Benefitting City of Moses Lake)	SR 171 Pedestrian Crossing Improvements	Upgrade crosswalks with rectangular rapid flashing beacons and improved lighting and signing. Upgrade ramps and sidewalks to meet ADA requirements.	\$638,244
WSDOT Northwest Region (Benefitting cities of Kenmore, Lake Forest Park, and Seattle)	SR 522 NE 145th St to 83rd PI NE Adaptive Signal Control MP 4.22 to 8.15	Improve traffic signal timing.	\$330,000
